OPERATIONS, NATURE OF BUSINESS AND FUTURE OUTLOOK OF THE COMPANY

We are glad to inform you that your Company continues to maintain its consistent track record of good performance. During the FY18 under review, the total revenue of the company was at Rs.38.39 crs as against Rs. 36.21 crs in FY17. The Profit before depreciation, provisions and taxation was Rs. 28.76 crs In FY18 as against Rs. 26.70 crs in FY17. The performance has been good despite steep competition & continuing slow credit off-take. Profit available for appropriation after providing depreciation and taxation stands at Rs. 20.20 Cr. as against Rs.17.23 Cr. in the previous period. The earning per share in the year 2017-18 is Rs. 134.63 per share as against Rs. 114.91 per share in the year 2016-2017.

The Corporate Trustee business grows mainly under Debenture Trustee & Security Trustee business and in order to accelerate revenue growth the Company focused on AIFs, REIT and INVIT mandates. The first and the only registered REIT mandate is with your company while one of the very early mandates under INVITs got listed during FY18. The Company is also making in-roads in booking AIF mandates during FY18. Considering the operating and reputation risks associated with Family office business the Company followed a very cautious approach in this business segment. The company also strengthened its operating platform wherein alerts/reminders for Debenture Trustee mandates are being sent out centrally in addition to system generated SEBI Reports.

RESERVES

The Company proposes to transfer an amount of Rs.2.02 Crs to the General Reserves.

DIVIDEND

Your Directors are pleased to recommend a Dividend of Rs. 90/- per share (90%) for the financial year ended March 31, 2018, subject to approval of the members in the ensuing Annual General Meeting (AGM). The total cash outflow for the Company (including DDT) shall be Rs. 16.27 Crs.

BOARD OF DIRECTORS

During the year under review no changes took place in the composition of the Board of Directors.

RETIREMENT BY ROTATION

Mr. Ram Bharoseylal Vaish (DIN: 00150310), Director of the Company will retire by rotation at the ensuing Annual General Meeting and being eligible, offer himself for reappointment. The Directors place on record their appreciation for their contribution in guiding and supporting the Company's business and operations during their tenure as Directors and recommend his offer of reappointment for consideration in the ensuing Annual General Meeting, subject to the policies of the company. Mr. Ram Bharoseylal Vaish (DIN: 00150310), has confirmed their eligibility to be re-appointed at the AGM.

INDEPENDENT AUDITOR'S REPORT

To the Members of Axis Trustee Services Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Axis Trustee Services Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2018, its profit, and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 (the "Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 1 a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016;
 - (e) On the basis of written representations received from the directors as on March 31, 2018, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018, from being appointed as a director in terms of section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

iii. There were no amounts which were required to be transferred to the Investor Education and Prevention Fund by the Company;

“ANNEXURE 2” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF AXIS TRUSTEE SERVICES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

To the Members of Axis Trustee Services Limited

We have audited the internal financial controls over financial reporting of Axis Trustee Services Limited (“the Company”) as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally

accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Axis Trustee Services Limited

Notes to Financial statements for the year ended 31 March 2018

1. Corporate information

Axis Trustee Services Limited (the "Company") is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is a wholly owned Subsidiary of Axis Bank Limited. The Company is engaged in the business of Trusteeship activity namely Debenture Trusteeship/ Security Trusteeship/Security Agency/Lenders' Agency/Facility Agency/ Trusteeship for Securitisation Issuances/Escrow Agency/Custodian Agent/Family Office/Alternate Investment Fund/Real Estate Investment Trust/Infrastructure Investment Trust etc.

2. Basis of preparation

The financial statements of the Company have been prepared in accordance with the accounting principles generally accepted in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the notified accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014 and Companies (Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2.1. Summary of significant accounting policies :

(a) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities at the end of reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(b) Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the Statement of Profit and Loss for the year when an employee renders the related service. The Company has no obligation, other than the contribution payable to the provident fund.

The Company operates gratuity as a defined benefit plan for its employees. The costs of gratuity under the Company's plans are determined on the basis of actuarial valuation at each year-end. Separate actuarial valuation is carried out using the projected unit credit method. Actuarial gains and losses are recognized in full in the period in which they occur in the statement of profit and loss.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

(c) Property, Plant and Equipment

Property, Plant and Equipment (including intangible assets) are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use. Gain or losses arising from de-recognition of property, plant and equipment (including intangible assets) are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

(d) Depreciation/Amortization on Property, Plant and Equipment

Depreciation on property, plant and equipment is provided using the Straight Line Method ('SLM') using the rates arrived at based on the useful lives estimated by the management. Intangible assets are amortized on a straight line basis over the estimated useful life. The Company has used the following rates to provide depreciation/amortization on its Property, Plant and Equipment (including intangible assets):

	Useful Life as per Management(SLM)	Useful Life as per Schedule II (SLM)
Computers	3 years	6 years
Computer Server	3 years	6 years
Office equipment	5 years	5 years
Mobile instruments	2 years	5 years
Furniture and Fixtures	10 years	10 years
Software	5 years	5 years

The management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of fixed assets, though these rates in certain cases are different from lives prescribed under Schedule II of Companies Act, 2013.

(e) Impairment of property, plant and equipment and intangible assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions

are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

After impairment, depreciation/amortization is provided on the revised carrying amount of the asset over its remaining useful life.

(f) Intangible Assets

Intangible assets are amortized on a straight line basis over the estimated useful economic life. The company uses a rebuttable presumption that the useful life of an intangible asset will not exceed five years from the date when the asset is available for use. If the persuasive evidence exists to the affect that useful life of an intangible asset exceeds five years, the company amortizes the intangible asset over the best estimate of its useful life. Such intangible assets and intangible assets not yet available for use are tested for impairment annually, either individually or at the cash-generating unit level. All other intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired.

(g) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Annual Fees for trusteeship services and servicing fees are recognized, on a straight line basis, over the period when services are performed. Initial acceptance fees for trusteeship services is recognized as and when the 'Offer Letter' for the services to be rendered is accepted by the customer.

Advisory Services fees on Family Office Service are recognized as and when the activities defined in the accepted offer letter is achieved.

Interest income on fixed deposits is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Realized gains and losses on mutual funds are dealt with in the statement of profit and loss. The cost of units in mutual fund sold are determined on weighted average basis for the purpose of calculating gains or losses on sale/redemption of such units.

(h) Income taxes

Tax expense comprises current tax and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and the tax laws used to compute the amount are those that are enacted or substantially enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originated during the current year and reversal of timing differences of earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations, where the Company has unabsorbed

depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

(i) Segment information

The Company is engaged primarily in the trusteeship business and its business operations are concentrated in India. Accordingly there are no separate business segments and geographical segments as per Accounting Standard 17 – Segment Reporting issued by The Institute of Chartered Accountants of India.

(j) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(k) Provisions

A provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of obligation. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

A provision for doubtful debts is recognized where, in the case of Initial Acceptance Fees, the receivables are not realized within 90 days from the date of invoice, and in the case of Annual Fees, the receivables are not received within 90 days from the end of the period for which the invoice is issued.

Where doubtful debt remains unrecovered till the end of the year, the same is written off and reversed from the debtors account.

Specific provisions are created in certain cases where recovery is assessed as doubtful even before the due date.

(l) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(m) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash at bank and in hand and short-term investment with an original maturity of three months or less.

(n) Leases

Where the company is lessee;

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.
